Drumming From Within: Tales of Hope and Faith from Canada's North By Archbishop Sylvain Lavoie, OMI.

This collection of Lavoie's memories will inspire both smiles and tears. Some stories reveal faith meeting life in heart-warming and humorous situations. Others deal with the trauma of substance abuse, family violence, poverty and hardship. Here, Lavoie shows how faith and the human spirit can overcome even the most tragic circumstances. Still other stories are gentle slices of life among God's "salt of the earth," as the author stickhandles the vagaries of Church and village life in the North. 176 Pages (paperback)
